

Quality Assurance with Power Platform Pipelines Using Power Apps

Nati Turtledove

Solutions Lead @ Cloud2, a BCN Group company

- Currently live in Cape Town, South Africa.
- I've been developing with the Power Platform for over 6 years .
- I love building solutions that make day to day activities simpler.
- Love all sorts of technology (Don't get me started on Raspberry Pi's).

AGENDA

1. The Idea
2. Demo
3. What's To Come
